Parents, Players, and By-Standers:

“I thank all of you for participating and cheering on your favorite player and team. The traditional Milford Frontier Days is a family-friendly celebration. What better way to celebrate than to enjoy the fun of playing in a basketball tournament? Though there will be winners on the court, the real winners are those who chose to participate. Please make this a memorable and rewarding experience by showing good sportsmanship to all involved. Players and adults should never pass up the opportunity to be good role models to our peers and to our youth. Please do your part. Have fun and good luck!”

Rules:

Teams Coach Themselves. No Parent Coaches!

The winner of the game is the first team to score 15 points. Baskets inside of the "3-point line" are 1-point and baskets outside of the "3-point line" are 2-points (feet need to be completely outside the "3-point line.") The ball must be taken beyond the "take back line" on every change of possession. There will be one 60-second time-out per team per game. Fouls are called by the court monitor. On regular fouls, the possession is replayed. Shooting fouls result in 1-free-throw. If the court monitor decides a foul is intentional, the basket will count. Disputes will be decided by the court monitor whose decision is final. The court monitor has the power to issue warnings concerning behavior which may include a "Technical" foul. Technical fouls will result in 1-free-throw and retained possession. The court monitor may decide to call all fouls.

Games may be shortened due to weather, type of competition, or any other reason to allow the tournament to be completed. Bad language, fighting, "trash talking," or any type of poor sportsmanship will not be tolerated. Offenders may be banished from the tournament and there will be no refund of fees. The purpose of the tournament is "friendly" competition. Let's have fun!
